ALPA STONE

Şirketimiz Alpa Stone, müşterilerine mükemmel hizmetler sunmasıyla diğerlerinden ayrılır. Bu hizmetler seçkin ve usta eller mahareti ile, taş seçiminden başlayıp üretimin son aşamasında mümkün olabilen en güzel suret ve şekil verilinceye kadar devam eder. Şirketimiz idareci ve tasarımcıların gözetiminde, usta ve profesyonel eller sayesinde en modern teknik ve kesme aletleri kullanılarak türlü türlü süs dekorasyonları oluşturur. Firmamız doğal mermeri işlemek için tüm imkanlara sahiptir. Mermer üretimindeki hizmetlerimiz Türkiye'nin çeşitli mermer ocaklarından uygun taşları seçmekle başlar. Ham halde bulunan mermer taşlarını belirlenen ölçülerde en modern aletlerle kesmeden önce müşterilerine kendi tercihlerine uygun seçme fırsatı tanır.

Our company Alpa Stone is different from the others by offering excellent service to its customers. These services are distinguished by hands and skill of our masters. We start by choosing the most beautiful stones as possible as we can and continue until the final choice . Our company is under the supervision of administrators and designers , craftsmen and professionals through hands - create all sorts of ornamental decorations using the most modern techniques and cutting tools. Our company has all the facilities to process the natural marble. We start choosing a suitable piece of marble in Turkey's various marble mines . Raw state to the extent determined by a marble stone which recognizes the opportunity to choose according to their own preferences before cutting the stones chosen by the customers with the most modern equipment.
